Access Panels & Forms

We create seamless solutions

Seamless™ Access Panels by Castle are manufactured direct manufactured from **GFRG & 70% post-consumer recycled glass**, for a unique **GREEN** design-matrix designed to blend seamlessly into your ceiling.

They consist of a surround frame and a drop-in door. Available in over **Seven Hundred** standard residential or commercial sizes, **Castle** panels are perfect for jobs where access is required at regular intervals.

Lightweight and easily textured, the panels can be used in both new and retrofit construction across unlimited applications.

Their smart design helps contractors to work smarter, faster and efficiently, the Seamless™ panels feature a tapered edge for tape joints and won't shrink, crack or sag. Seamless™ Access Panels provide an aesthetically pleasing solution for a more attractive interior.

PRODUCT FEATURES

- Tapered edge for tape joint
- Lightweight
- No shrinking, cracking, sagging or rusting
- Concealed hinge
- Moisture resistant
- Easily textured
- Single trade installation
- Blends seamlessly into surrounding drywall
- Reduce labor cost
- Zero mold & fungus growth

Pop-Out Specification

Hinged Specification

Designed for both wall and ceiling applications, the hinged **Seamless™** Panel by **Castle** can be used where a locked door is needed but style must be still maintained.

The hinged panel is great for use in ceiling applications where there is no space to push a door up, and in wall applications when access to plumbing and electrical are needed.

- The Seamless™ Hinged Access and Pop-Out panel consist of a frame door with concealed hinges and a cam or key lock
- Round Pop-Out Panel available in 16 sizes
- **Neoprene Gasket** available for all panels upon request
- These panels require extra reinforcement and a crate/pallet to ship
- Ships directly from the manufacturing plant in Concord, ON, Canada
